

CHALLENGE CUP – 2024

Reception & Results

□ Reception

- After the match, a designated reception area should be provided for players
- In the spirit of good sportsmanship, players should be sitting with opponents (as opposed to teams)
- To assist with that process, it would be helpful if tables be identified by starting hole number

□ Tournament Results Scoring & Completed Scorecards

- The host Captain will provide you with the master Challenge Cup Scoreboard. All results must be entered on this scoreboard and displayed so that captains and players may take a photo of the final scores or record them.
- All Captains will provide you with a signed Match Line-Up and Results form for you to record the team results on the Challenge Cup Scoreboard.
- Cup Rules Chair(s) will resolve the requests for rulings with the players and our Board Rules Chair. Incident forms are submitted by the Cup Rules Chair(s) of the Day to our Rules Chair on our Executive Board. Our Executive Board serves as the ruling body for any ruling protests/appeals.
- **Captains MUST give all completed scorecards to the Cup Rules Chair. The scorecards are required by our Board in order to address any slow play complaints, and to track our pace of play by Cup at the end of the season.**
- The host Captain is responsible for the accuracy of the scoring results. The host Captain(s) are responsible to report the match results for their respective Cup to our Board Results Chair (Debbie O'Brien) once the results are final. The host captain will take a picture of the scoreboard to submit as the official results as per our hosting procedures. No other reporting method will be accepted.
- Ensure the host captain of the next match takes the completed Scoreboard with her for the next match
